I, _____ (please print), have read and understand the MISD Acceptable Use Guidelines of Computers and Networks as stated in the MISD Student Handbook/Code of Conduct. I will abide by them in letter and spirit, and I understand that violating them will result in disciplinary action by the school, up to and including expulsion.

I understand that the Internet is a network of many types of communication and information networks. It is possible that I may encounter areas of adult content and some material that I (or my parents) might find objectionable. While the District will take reasonable steps to restrict access to such material, it is not possible to absolutely prevent such access. It will be my responsibility to follow the rules for appropriate use.

I understand that my computer use is not private and that the District will monitor my activity on the computer system.

I also understand that MISD does not warrant that computer or network use will be error-free or the use of computers or networks will be uninterrupted; nor shall it be liable for any direct or indirect, incidental, or consequential damages (including lost data, information, or profiles) sustained or incurred in connection with the use, operation, or inability to use the system.
